#### Pop-up Food and Fun on Granite Island

The City of Victor Harbor is seeking expressions of interest from vendors of food and fun to temporarily set up on Granite Island.

Following the expiry of the Granite Island kiosk and cafe lease, the City of Victor Harbor has been offered a license that will enable mobile 'pop up' activities to operate on the island.

They are looking for providers of food and refreshments, as well as people interested in providing an element of fun to reinvigorate the iconic attraction. Whether you are a food vendor, entertainer or a member of the public motivated to help people rediscover the island, we want to hear your idea.

With Easter, Anzac Day and school holidays looming, it is a high priority for Council to get the temporary food and fun solutions up and running. The pop-up activities will be located on vacant grassed area adjacent the kiosk and horse tram terminus.

All information about the expression of interest is available at [www.victor.sa.gov.au/graniteisland](http://www.victor.sa.gov.au/graniteisland).
